Commander's Corner

JULY,AUG,SEP 2022

I am truly honored to be your next commander and look forward to following in the footsteps of all the great leaders before me. We have some great things on the horizons with our kitchen project beginning to start and to continue getting back to some normalcy since COVID.

I would like to start out with thanking our outgoing commander Lynette Lewis for not only having led us through some tough times with the pandemic, but she also left our post with the finest leadership a person could ask to have on their team.

Our new district motto is: **District 9 Is Successful...Working Together!!!** I am dedicated to ensure our post approaches all viewpoints with a holistic approach. I am looking forward to working with both our veterans and auxiliary members on making our post the best.

VFW Post 5077 is Successful..... Working Together!!!!

Very Respectfully

Jerry Gartland
Commander

We're especially proud of our own Judy Northcutt who is our new State Auxiliary President for the coming year! With our support she will be successful. Congrats Judy!!

I wish thank all of our Auxiliary members who volunteer their time to work in the kitchen each Wednesday night. Thank you to all who donate deserts to help our revenue. I appreciate the Post members who help us clean up the kitchen at the Bingo sessions.
